

Stoneridge Elementary School
School Accountability Report Card
Reported Using Data from the 2019-2020 School Year
Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Stoneridge is one of 19 schools in the Roseville City School District. Stoneridge Elementary School is committed to providing each student with meaningful experiences in a safe environment that enhances a lifelong love of learning. We work in partnership with our families and community to promote a positive self-concept, to encourage responsibility, creativity, individuality and good citizenship. We have high expectations for all students as the standard. Our teaching practices at Stoneridge Elementary School reflect a balanced curriculum devoted to reading, writing, oral language, literature, math, social science, science, and physical education. We believe that students need to learn and practice decision-making skills, accountability, and problem solving both academically and socially. District and state standards help support these high expectations and ongoing assessment, both informal and formal, help students, parents, and teachers monitor success and adjust as needed. Mission Statement: Stoneridge School takes pride in our mission to maximize learning for each individual by providing an innovative and challenging environment that will inspire lifelong learning.

Stoneridge is a STEAM (Science, Technology, Engineering, Arts and Math) focused school. We offer unique opportunities to students in each of these areas. We have a hands-on Science program that each class gets at least 5 additional science labs a year. All of our students in grades 3-5 use Google Docs to share and create presentations and documents. Stoneridge has a variety of devices (iPad, Chromebooks, Computers) for use by students. Additionally, Project Lead the Way is our unique Engineering focused program for all students K-5. This is within the school day and topics include learning about building structures for our Transitional Kindergarten students up through our 5th graders building and programming robots. We have a great Art Docent program and we have Math Olympiad teams for our 4th and 5th grade students. We are truly STEAM focused and look to provide the best in all of these areas for our students.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2018-19	School 2019-20	School 2020-21	District 2020-21

Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	1

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: 9/10/20

Roseville City Elementary held a public hearing on September 6, 2018, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Benchmark	Yes	0
Mathematics	Houghton Mifflin 2015	Yes	0
Science	Science MacMillan/ McGraw Hill 2008	Yes	0

School Facility Conditions and Planned Improvements

General

The District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the Maintenance Office.

Maintenance and Repairs:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The District annually inspects wheelchair lifts, tests fire extinguishers, inspects and services all playground backboards, replaces bark on playgrounds and landscaping, and services HVAC units.

School Facility Repair Status:

Overall Summary of School Facilities Repair Status – Good

The inspection included a check of possible gas leaks, mechanical systems, interior and exterior doors and windows, interior surface areas, structural damage, electrical, playground equipment, and hazardous materials. In all areas this school passed inspection.

Cleaning Process and Schedule:

The District has adopted cleaning standards for all schools in the District. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget:

The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repairs or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. Since 2008-2009 the State has suspended the program due to State Budget Reductions. The District still maintains its own program.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: 10/2020

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	60	N/A	53	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Stoneridge School has an active Parent Teacher Club and we strongly encourage all of our families to participate in school activities. It is our goal to work in partnership with our parents and we welcome parents to volunteer in classrooms, participate in school-wide events, and feel welcome and part of the school community every time they come on campus. PTC has an informative website and holds monthly meetings to discuss and vote on school-wide initiatives and expenditures. They helped fund programs like Project Lead the Way, Science Docent, Art Docent, as well as helping to purchase more technology for K-1 students and supported the installations of TV display systems. Stoneridge also has School Site Council which meets to discuss programs and overall achievement in our school. This year we have our third annual parent information night so our parents can see what we are doing at our school. We communicate with parents through social media and a weekly school blog. Four times a year parents also have the opportunity to come have coffee with the principal to help give them a forum to share comments or questions about the school.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	1.8	1.9	3.2	2.4	3.5	3.5
Expulsions	0.0	0.0	0.1	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	.4	1.3	
Expulsions	0	0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Stoneridge School is continually updating our school safety plan with the input from our staff and School Site Council. An annual school survey is used to gather data from all parents regarding facility and educational improvement needs. In addition, regular monitoring of the campus by school site and the district safety committee assures a safe campus. The Roseville City School District has developed a Crisis Response Plan that outlines the procedures to be followed in the event of an emergency affecting a school site. The plan includes procedures for coordinating resources to responding to any emergency including natural disasters, environmental health issues, accidents, or intruders. Staff have been assigned roles and trained to work efficiently with each other and with other public service officers to ensure the safety of students and staff. We do monthly drill practice on lock down drills and fire drills to ensure that our students and staff are prepared in case of an emergency. Approved by SSC January 2021. To be discussed with staff: February 2021.

Types of Services Funded (Fiscal Year 2019-2020)

Stoneridge has used money to promote four main goals: Common Core Implementation, Student Proficiency in ELA, Student Proficiency in Math and School Climate. We have also bought new materials and manipulatives for math and more non-fiction books for ELA. Funds have been used to purchase supplementary academic curriculum to increase student proficiency and to support our academic intervention programs. In addition, funds are being used to support the implementation of PBIS to support school climate and culture. We have also put funds toward our Engineering program, Project Lead the Way as well as helped pay for new technology and training for teachers.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	8	8	8

In alignment with the Roseville City School District board goals, the Professional Development Advisory Committee (PDAC) plan was developed to create a comprehensive three-year professional development plan for the District. Training is provided to administrators and teachers that align with this plan during four professional development days. In addition, the school sites are provided three additional professional development days to focus on school site goals.

Other areas of professional development at Stoneridge include:

Training on best reading practices has been a focus for the past year. We moved students away from points and rewards reading systems to a system that promotes the love of reading. Continuing education on Speaking and Listening through site professional development as well as more of a focus on writing this year. Twice a month staff meetings where we always focus on professional development as part of the meeting. Nine teachers and our principal have visited the Ron Clark Academy to learn more about their practices. Staff is kept up to date on the latest in educational technology. In the 2017-18 school year we have also focused on supporting the social and emotional needs for all students.
